TIME - -

For everything there is a season and a time for every matter under heaven:

A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to seek, and a time to lose;
A time to reap, and a time to cast away;
A time to keep silence, and a time to speak.

Ecclesiastics III, 1-7

The 1962 "Horizon" makes time stand still for a year of pictures and words that record the times we have danced, the times we have kept silent, the times we have spoken. The "Horizon" staff presents your history of 1962.

DEDICATION

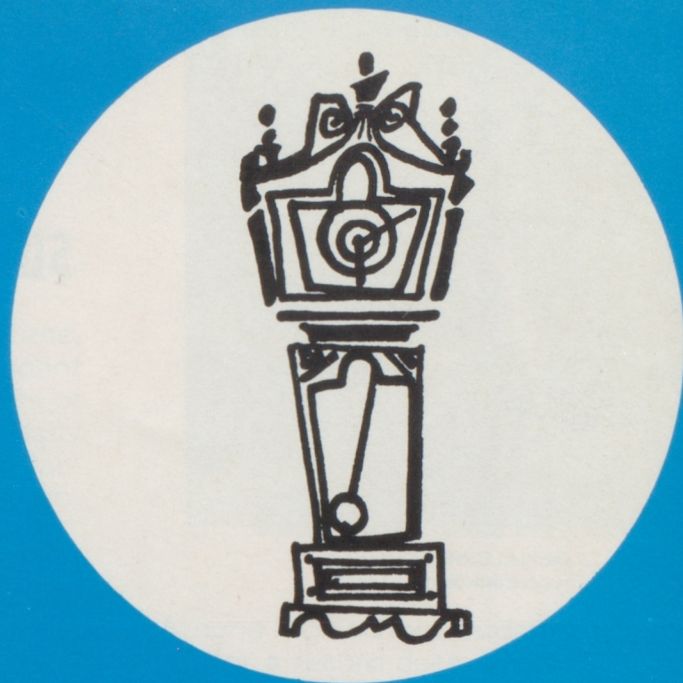

September 10, 1952, was the opening day for Encinal High School. The school was comprised of four buildings, thirteen teachers, and three hundred students. In 10 years Encinal has grown in size, staff, and enrollment. Our clubs have grown, our athletic teams and our scholastic accomplishments have gained recognition and our school pride has also grown in accordance with this progress.

This 1962 edition of the Horizon, is in a sense a record of ten years of growth, but, more than that, it is a dedication to the six persons who have been with Encinal High School since its beginning day, September 10, in 1952— Mr. Edward Boughton, Mr. Grant Brandes, Mr. George Cadwell, Mr. Clarence Kline, Mrs. Ora Phillips, and Mr. Leroy Swanson.

SUPERINTENDENT'S MESSAGE

Since the advent of the space age, we, as citizens of the United States, have become more and more aware of our most valuable resource—time. News commentators have measured **in years** the distance between Russia and the United States in the race to the moon. **In years** also do medical scientists calculate the number of persons whose lives will be saved, if cures are found for such deadly diseases as cancer. From all areas we hear the cry of, "Time, time, time."

To high school students it often seems unrealistic to hear others say, "Time is valuable." Yet, when one considers that a minute passed can never return again, time assumes the aura of a precious stone. Time alone becomes the measure of one's goals and ambitions, one's achievements and failures. Only time well spent can advance our wildest dreams, our greatest needs, our highest hopes.

Each person, therefore, must answer for himself this question about his own time: Is the activity which I am about to undertake worth **my time**? It is man's most important resource which is being spent by each of us, every second. Is the purchase worth the price?

PRINCIPAL'S MESSAGE

Time is the theme of our 1962 Horizon—let us explore a few of the implications suggested by the theme.

Each of us begins the day at a certain time, the determination of which is dependent upon a variety of measuring instruments or physiological factors. We adjust our daily lives to a schedule based upon the time factor without which our days would prove rather chaotic.

The importance of time is dependent upon what situation is to be met. Who cares about a lost millionth of a second? Space scientists do. Among high school students, who cares about a lost tenth of a second? A track man trying for a record does. Who cares about a lost minute or hour? Great men of music, art, literature, science, business and industry do because to them time is a valuable adjunct to their productivity. Who cares about a lost day or week? Everyone with a purpose in life does.

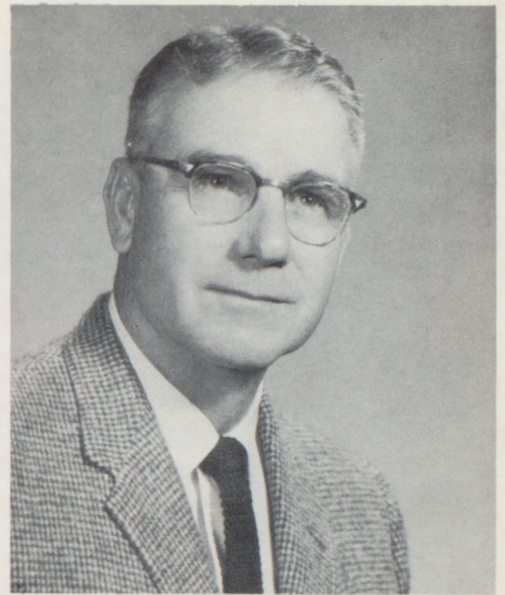

The point is simply this—each student at Encinal High School should regard time as important to his daily life. He should use it judiciously, realize its importance, and never waste it.

To each graduating senior I wish happiness and success. It is my hope that the time spent at your Alma Mater will help you to make a better world, a stronger nation, and a finer community.

I wish to thank each member of the staff of the 1962 Horizon for his part in producing this outstanding yearbook. It is through your effort and cooperation that we have been able to present something new in printing and format which makes this the best book in the history of our school.

To Miss Holland, editorial advisor; Mr. Kline, business advisor; Lillian Anovich, editor; and Janice Wilhelm, business manager, I express a sincere thank you from our faculty and students for providing a yearbook to remember.

FACULTY

In ten years, Encinal High School's faculty has expanded from fifteen to fifty-four members. This expansion has given a wider range of subjects and smaller classes in which the teacher can give more individual attention to the student. The increase in the student body, itself, has resulted in many more extra curricular activities which the faculty members sponsor.

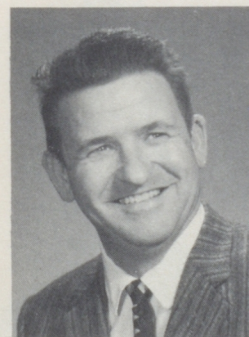

Encinal High School began with three buildings and two hundred students. From this small beginning Encinal, now populated by one thousand fifty students, has grown in size, spirit, and reputation. On its tenth anniversary, Encinal is a source of pride to the student body and faculty.

THE MIGHTY CLASS OF "62"

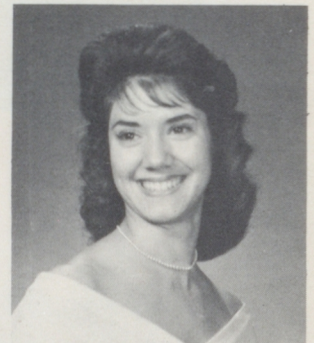

Time is the theme of the 1962 Horizon, and time has been an important element in the lives of the graduating Seniors.

When they were freshmen, they wished that the four years before graduation would pass quickly, so, to help pass the time, they participated in many activities.

As freshmen, the class had numerous cupcake sales and sold rooster's pennants for use at football and basketball games. Then the Soph Hop, "Harbor Lights," helped to make the second high school year only a memory. The Junior Prom, "Heavenly," was only a stepping stone to the Senior Ball and Banquet. And, as the last sands sift through the hour glass, a new measure of time begins for the seniors of '62.

THE BEST CLASS AT ENCINAL IS THE CLASS OF '63

PAT HUMES

CHARLES LAMBERT
Cheerleader

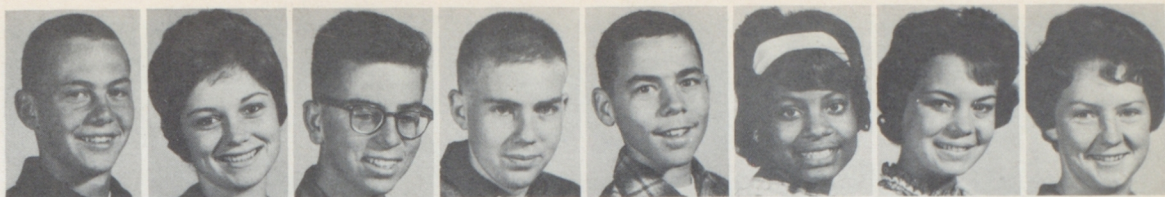

The class of '63, now three-fourths of its way through EHS, faced the matter of its Junior Prom and took the proper steps early in the second semester to make "Japanese Spring Time" a great success. Under the leadership of Ken Williams, class president, the class council met every Tuesday to plan the Prom and handle important class business.

One money-making scheme that really succeeded was the sale of Christmas napkins, with "Silent Night" printed in five languages. The class plans to carry on this activity again next year.

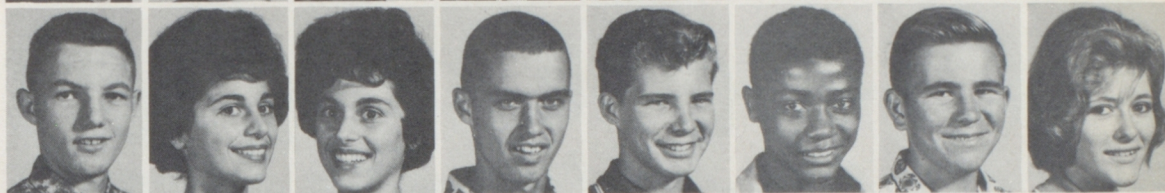

There was an ugly rumor that the class yell would be abolished, but no positive action was taken. So, "Gitchee Gumee" remains as proof that

"THE BEST CLASS AT ENCINAL IS THE CLASS OF '63."

THE CLASS ALIVE IS SIXTY-FIVE!

CHARLEY NOBLES
Cheerleader

This is the motto which has reflected the spirit of the Freshman Class since they first entered Encinal on September 11, 1961.

Their first money-making activity was selling booklets containing complete schedules of football and basketball games. Also inside were yells that the students would be using at the games.

Over 300 strong, the Freshmen have added power plus to the cheering section at Encinal. They even challenged the Sophomore class to a yelling contest. To lead them, they had a yell leader with two assistants. The contest was very close, and ruled a draw.

Encinal welcomes this spirited Freshman class.

The Queen of 1961

The tradition of having a Football Queen started in the fall of 1959. Karen Snyder was chosen as our first queen. She was picked as a candidate, along with four other girls, by the football team, and was subsequently elected by the boys of Encinal.

Janice Wilhelm, this year, was our third annual queen.

Each fall a dance is sponsored by one of the classes for the queen and her attendants.

Mattie Parrondo proudly displays a Spanish costume.

OUR AMERICAN FIELD SERVICE STUDENT

Our American Field Service Student, Mattie Parrondo, came from Spain to attend Encinal High in her senior year. With her, she brought a friendly attitude, a smile and a kind word for everyone. Mr. Pienado has contributed time and effort to seeing that our school plays host each year to such wonderful people as Mattie Parrondo.

Lillian Anovich, Mattie Parrondo, and Betty Mihok compare Spanish and American schools.

ALOHA

The students of Encinal High enjoy the opening dances very much. Our fall opening dance, "Aloha," was like a happy reunion after a long summer away from all our school friends. The Student Council worked hard to make "Aloha" one of the best dances of the year.

HOUR OF RECOGNITION

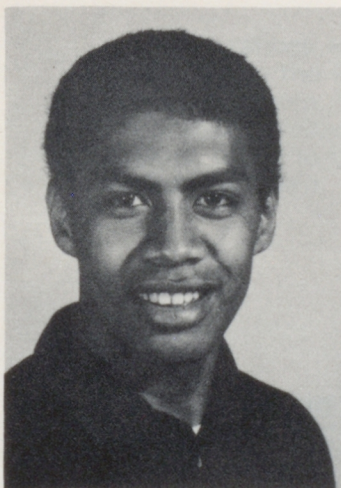

Dave Reynolds attended Boys' State at Sacramento.

Bill Stull went to Germany during the summer of '61.

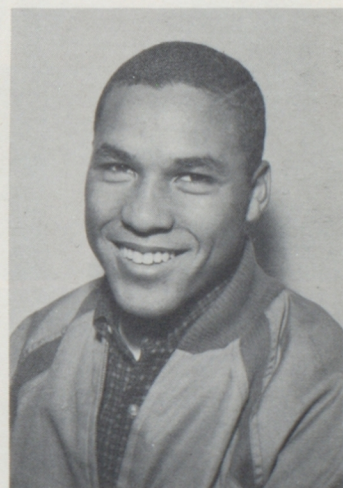

Lillian Anovich attended Girls' State at Davis.

Carl Fonoimoana attended the Key Club International Convention in Philadelphia.

Nancy Ward attended the Junior Red Cross Convention in Watsonville.

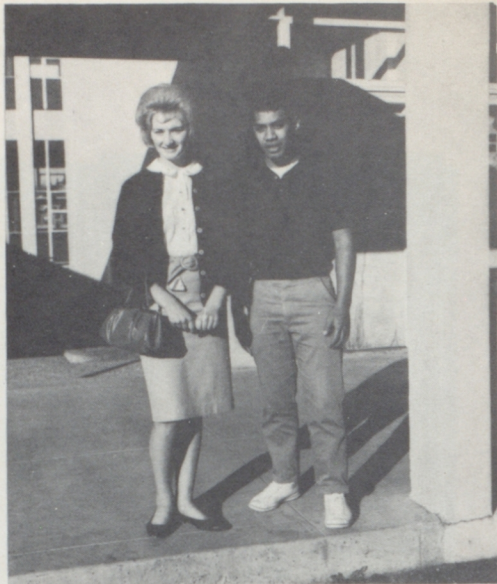

Bob Miranda attended the Fellowship of Christian Athletes in Colorado.

As rewards for their leadership, each of these students attended a conference or workshop during the summer of 1961. At a student body meeting in the fall, each one told of his adventures and experiences. These students have brought honor to themselves and to E.H.S.

STUDENT BODY ELECTIONS

Organizations are made up of many hands working together to bring out leadership in the individual and to promote school spirit. One learns not only in the classroom, but also in extracurricular activities. Through many of our clubs and activities, students acquire additional skills and knowledge; social outlets, found in the varied organizations, complete the program of the well-rounded student.

Tomorrow will tell.

EPHEMERAL FASHIONS

School fashions fade quickly. Here, then, is history in the making—a look at what was fashionable at EHS in the fall of 1961. Whatever happened to the sack dress?

Linda Filipelli wears her twist skirt and blouse—a very popular combination for 1962.

THE G. A. "TRADITIONAL RECEPTION"

Each year the Senior girls enjoy escorting the Freshmen girls to the G. A. Reception. The reception is to welcome the freshmen to the Girls' Association of Encinal High.

Everyone is eagerly watching the entertainment.

The Student Council backed the sale of student body cards, and each advisory representative worked hard to make the student body one hundred per cent.

The group also investigated the possibility of making blazers available to outstanding students in various fields of study.

MR. KLINE
Business Staff Advisor

While the staff of this 1962 "Horizon" worked long and hard in very cramped quarters, fighting to meet deadlines, sizing and re-sizing pictures, trying to save space and, therefore, a few dollars, going out in rain and wind to get ads, we enjoyed every moment because the work was fun. We hope you will read every word and look at every picture and enjoy this book as much as we enjoyed bringing it to you.

The "Horizon" staff, nine girls and Phil Foster, is caught in its usual attitude of diligence and hard work.

THE "ECHO"

This year the Encinal High School "Echo" staff, advised by Mr. Reilly, put out an excellent issue of the paper bi-monthly. In the spring the new Gestetner process of printing was used regularly. This process will produce pictures, cartoons, and any form of print by cutting the stencil with an electronic beam. Mr. Reilly and the entire staff were very proud of the results of this process, and Mr. Reilly expects to continue improving the newspaper.

CSF

The EHS Chapter of the California Scholarship Federation is sponsored by Mr. Edwin Winberg. During the past year CSF provided a tutoring service, held a Christmas cookie sale and Easter candy sale, visited the campus and various classes of the University of California at Berkeley during Thanksgiving vacation and San Francisco State College on Lincoln's Birthday. (The group participated in the College Panhellenic Association and the Intrafraternal Council of the University of California symposium on colleges October 28, 1961), participated in the San Francisco State College-CTA Career Day (March 10, 1962), and participated in the regional CSF Conference held at Livermore on May 5, 1962—including a visit to the radiation lab. On April 5, the club held an excellent assembly which included a Danny Kaye UNICEF film and presentation of life membership pins to the largest group of CSF life members EHS has ever had. Also, President Virginia Whitten's name was submitted for a CSF scholarship, and Mr. Winberg served as advisor to the entire CSF district, composed of the entire Bay Area.

The primary activities of the drama department were the presentation of the senior play, "Ten Little Indians," a suspenseful murder mystery by Agatha Christie, in the fall, and an innovation—an all-school play, "The Skin of Our Teeth," an hilarious comedy by Thornton Wilder, in the spring.

CHI MU

Chi Mu, the honorary music club at EHS, began its eventful year by holding an initiation at the home of the sponsor, Mr. James Hewitt. The largest and most successful activity of the fall semester was the all-school dance of January 12, "Basin Street," which featured the Dance Band and vocalist Ruth Lyons. With some of the proceeds, Chi Mu presented the Band with a microphone for their tape recorder.

Seven new members were initiated in February. Members who participated in the Bay Area Solo and Ensemble Festival in March were Sydney and Gene Chase, and Charles and Joe Eliason. The club attended a concert of the Oakland Youth Symphony and presented the annual EHS Spring Concert at which the John Phillip Sousa Award was presented to the outstanding senior bandsman. New officers were elected in May, and a picnic ended the year.

EHS BAND

This past year EHS had one of its finest bands, which was under the direction of Mr. James Hewitt. It was a colorful marching band for every football game, and climaxed the season with a spectacular show honoring Queen Janice Wilhelm at the Alameda game. The Band participated in Cal and Stanford Band Days, the High School Band Picnic Day at the University of California at Davis, and the Alameda County Veterans' Day Parade. It closed Public Schools Week with a march down Webster Street.

As a concert band, the group performed for January and June graduation programs, concerts for students at Washington and Longfellow Schools, and finished the year as a featured part of the Spring Concert. Various Band members composed the Pep Band, Dance Band, clarinet and brass choirs, and performed in the Northern California Solo and Ensemble Festival.

DANCE BAND

The EHS Dance Band, under the direction of Mr. James Hewitt, began an active year by entertaining the PTA in October for their first dance. On January 12, the group played for an all-school dance, "Basin Street," featuring vocalist Ruth Lyons.

In the spring the Dance Band shared an assembly with the Encinettes, performed with the Band for concerts at Washington and Longfellow schools, and played for the Junior Prom in April.

STRING ENSEMBLE

For the past two years, Mr. James Hewitt has been developing a string ensemble at EHS. Last year there were three members, but the group has grown to five this year, including accompanist Eloise Wentz.

The Ensemble performed for the Paden PTA in January, was invited to perform at the First Baptist Church for a Sunday evening service, and, during the second semester, the members were leaders in the string section of the orchestra which performed at the Spring Concert.

ENCINETTES

The Encinettes, under the direction of Mr. Bryant, was started two years ago and have represented Encinal very well with their lovely voices. The group meets twice a week, on Monday and Thursday, for a total of three hours.

This year the Encinettes sang for various student meetings, the Business and Professional Women's Club, the Christmas program at the Alameda Naval Air Station, Encinal's own Christmas Concert, the Kiwanis Club, and the PTA Founder's Day program.

A CAPELLA CHOIR

A Cappella Choir, under the direction of Mr. Bryant, had an enrollment of thirty-seven members this year.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America, sponsored during the fall by Mrs. Rourke and in the spring by Mrs. Snyder, sold football programs at home games and held a Christmas party at the home of Mrs. Rourke with Mattie Parrondo, AFS Student, as guest. During the spring they attended "Careers in Education Day" at San Francisco State College.

F. H. A.

During the fall semester, the FHA, sponsored by Miss Lela Sibley, sent two delegates, Amy Bisi and Josette Camicia, to the Asilomar Conference. A cupcake sale was held in October, and, in December, a popcorn ball sale provided money for ingredients and materials to bake fruitcakes and cookies to send to veterans in local hospitals. On January 27, two delegates attended the executive council at Martinez to plan the section meeting held at Pleasanton on March 24. On April 3, there was a cupcake sale. A dinner with installation of officers was held April 6; there was an FHA dance on May 3 in the Homemaking Department; and, on May 19, the members went on a field trip to San Francisco.

CHESS CLUB

The Chess Club, sponsored by Mr. King, is unique in that it meets to play chess every morning at 8:15. On Tuesdays the club meets at 7:50 for a business meeting.

This year the Chess Club's only extra activity was two cupcake sales—the main activity being chess playing. Though the club is small in membership, it has a very fine team, which is a member of the ACAL Chess League.

This year the Chess Club added fifteen new chess sets and twelve new chessboards to its already fine collection; these sets are at the immediate disposal of members and their guests.

LIBRARY CLUB

Miss Henrietta Pageau, school librarian, is sponsor of the E.H.S. chapter of SLANC. The Library Club was very active this past term, having held coffee-cocoa-donut hole sales once a month (February profits were given to the American Field Service Program), had a bowling party at the Island Bowl, sponsored an after-school dance, "The Book Worm Squirm" on March 7, in the library, and attended the state SLANC meeting at Stanford University in April. Members who served six hours and attended six meetings were awarded the official SLANC pin, and second-year members received recognition pins.

The club also held cookie and candy sales at school.

G. A. A.

Sponsored by Mrs. De La Vergne, the Girls' Athletic Association had another busy year. During the fall semester, the girls participated in a physical fitness program, took part in play days at Alameda High and San Francisco State College, purchased ninety sweatshirts, sold tickets for the Faculty-Block "E" basketball game held at Christmas time (proceeds from which went to the American Field Service), had a Christmas party, had a Christmas candy sale, and held a meeting and party for the purpose of honoring the seniors and presenting awards.

During the spring semester, the girls participated in two play days here and one at the University of California, held an Easter candy sale, and had a picnic at Lake Temescal to honor the seniors.

PEP CLUB

In general, the Pep Club, sponsored by Miss Nora Tucker and Mr. Joe Kirg, serves as a clearing house for selection of Pom-pon girls and cheerleaders. The club's aim is to foster school spirit through the organization of rooting sections and projects to build school spirit.

This year the club sponsored noon rallies during football season, sold ribbons for football games, organized white shirt sections at games, and sponsored rally assemblies during the spring semester.

On March 17, twenty members of the Pep Club attended a cheerleaders' clinic at Berkeley High School.

BLOCK "E"

The membership of the fall Women's Block "E" was so small that activities were limited to several night social meetings at the home of sponsor, Mrs. Lois Harriman.

Due to difficulties of reorganizing the larger spring membership, the Women's Block "E" participated in no major activities during the spring semester.

The Men's Block "E," composed of holders of Encinal's athletic award, is sponsored by Mr. Marberry. The big activity of the year was the traditional Faculty-Block "E" basketball game held at Christmas, the proceeds from which were given to the American Field Service program.

Besides holding the rank of Captain, Gary Miner was the outstanding rifleman of Encinal's Cadet Corps.

The major service to the school was the parking detail which assisted at all evening school functions.

1961 JETS DISPROVE

Under the able coaching of Jim Marberry and the fine coaching staff, the Jets placed fourth in the league. This proved a pleasant surprise because pre-season predictions had them rated much lower. Sportsmanship, teamwork, good blocking and tackling were a few of the assets which accounted for the high finish.

Gary Barker is brought down by Alameda gang tackling.

"Bull" Miranda sheds four would-be tacklers in the Alameda game.

PRE-SEASON PREDICTIONS

The Jets began the season with a supersonic take-off, crushing El Cerrito, Berkeley, San Leandro, Pacific, and Vallejo, in that order. It seemed as if Encinal was going to run away with the league championship. The after-burner flamed out though, and the Jets skidded to a halt. They lost their next four games and completed the season with a won-lost record of five and four, respectively.

FROSH AND J. V. GAIN SPEED AND AGILITY

Both teams have built up strong offenses and defenses and have promising futures. Their over-all records were satisfactory. Both teams had gained the respect of the other teams in the league. Our future Junior Varsity teams will be strong and will consist of many promising players. The Junior Varsity won 8, lost 4 and tied 1. The Frosh won 2, lost 4 and tied 1.

J. V. AND FROSH TEAMS IMPROVING

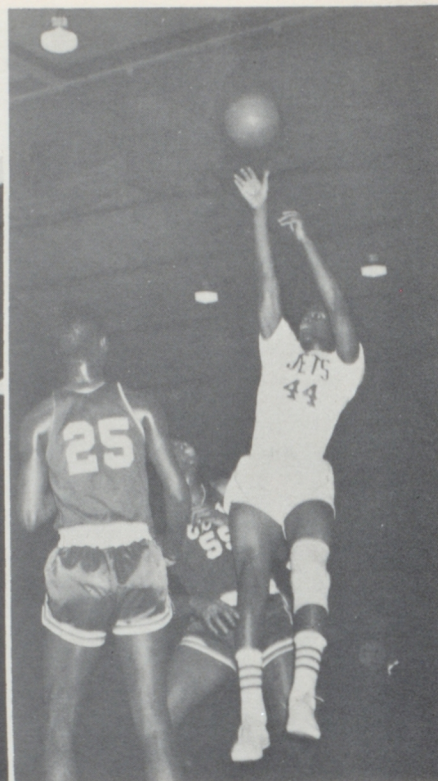

Despite poor won-lost records, the Junior Varsity and Frosh teams will develop into fine athletes. They have all the qualities of good teams: sportsmanship, teamwork, and desire. A better record is indicated for next year.

FROSH BASKETBALL

At deadline time, the Jet Varsity had not fared too well. They had been defeated by Ells, El Cerrito, and Pacific. The team is composed mainly of juniors, sophomores, and a few seniors. The team should do well in the remainder of the season, and will be very strong in the coming year.

Bob Miranda teams up with Tim Bowers to force runner at second.

J.V.'s SHOW PROMISE

The Junior Varsity has good team balance. The boys have speed, agility, and are good on defense. Our future varsity will profit by the experience gained by these players.

Ralph Ojeda scores one.

FIRST ROW, left to right: H. Smith, R. Spragon, V. Perata, G. Barker, E. Ronald, C. Fonoimoana, B. Stull, J. Lodin, B. Kaleva, H. Simon, E. Granberry. **SECOND ROW:** J. Newell, B. Chesler, R. VARSITY TRACK

The Varsity Track team, as of April 1, 1962, had a winning record. However, their competition had not been strong.

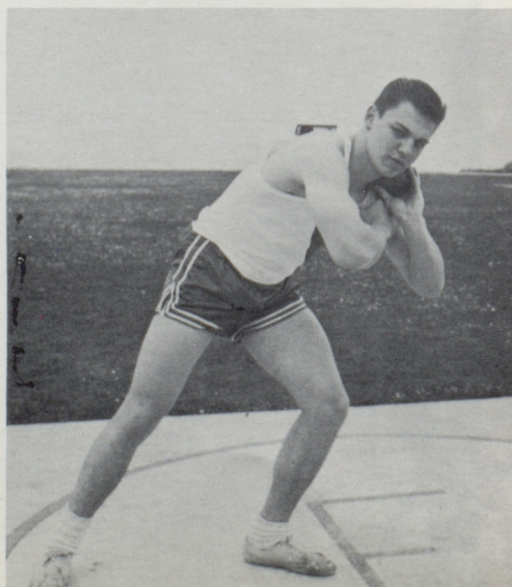

Throughout these meets several trackmen showed promise and a threat to established records. These men were Willie Green, John Lodin, and Ron Talley.

The team had balance in a majority of events, and, thus, was a strong contender for the ACAL title.

Ron Talley winds to hurl the discus.

Charlie Clemmens is set to put the shot.

"B" TRACKMEN

This year the B Track Team is not as strong as last year's team. They are lacking in experience, but promise to improve as the season progresses. Some outstanding individuals are J. Tennesley, F. Ortiz, J. Hennessey, M. LaFlam and R. Swisher.

JET WRESTLERS - - - ACAL CHAMPS

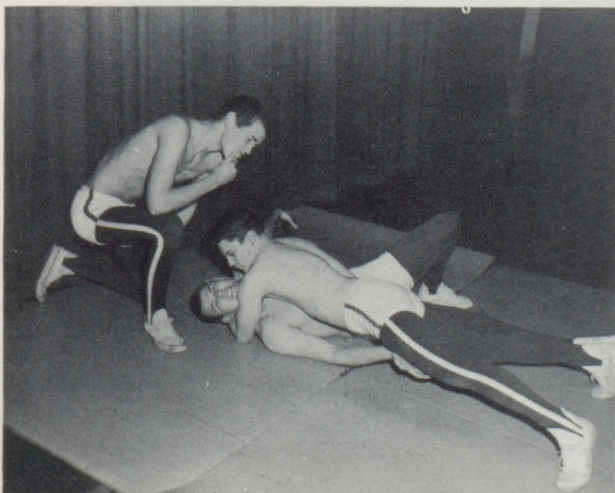

Wrestling, the newest addition to our athletic curriculum, has placed another feather in Encinal's cap.

The wrestling team won the ACAL championship by defeating San Leandro twice. They compiled a won-loss record of four wins and three defeats.

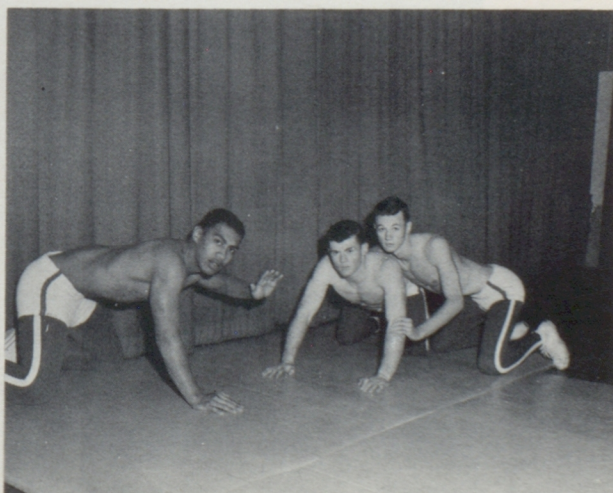

Outstanding individuals were Rodney Costa, Pepe Salaiz, Gary Barker, Nancito Canalin, Joe Lopez, Grover Bohannon, Carl Fonoimoana, and James Coward.

Congratulations, Wrestlers!
